"Photography students using these Seawhite journals for presentation have had a positive feedback when applying for higher education courses - they provide professional level presentation at an affordable price."

Larrie Tiernan, Head of Photography, Solihull College, Birmingham.

"I always use Seawhite black spiral bound albums for my presentation work. They look great and are very sturdy. They are the only products on the market that fit all the criteria required to show off my work to its best advantage."

Elizabeth Emanuel,
Fashion Designer, designer of Princess Diana's wedding dress.
