

casebound sketchbooks black cloth

Why do more artists and art educationalists choose Seawhite sketchbooks than any other hardbacked sketchbook?

The answer lies in the ability of people to measure quality and value. The attention to detail in our case-binding and paper specification are without parallel. A British product that has been used by most of our leading artists over the last 35 years.

"Dear Friends from Seawhite, It is true, you can't lick Seawhite! Today we received your sketchbooks and were very pleased with the quality and the huge part of black items, after we built 'sketchbook towers' in our showroom - people started to buy them at the same moment. Thanks - and greetings from Switzerland!"
