

# perspex solid colours

**Great new deal on top quality Acrylic Sheet. Choose popular colours that suit your projects - from a good selection at affordable prices.**

## SOLID CAST COLOURS

Cast 3mm sheets brought to you in the most popular opaque colours. For general fabrication where quality and performance are paramount.

### 3MM OPAQUE VALUE PACK

Consists of one sheet of each colour from the popular opaque range.

ACR3M     **Opaque Acrylic Pack**     1000 x 500mm     10 sheet pack

### 3MM INDIVIDUAL OPAQUE COLOURS

You can supplement our packs or select your own sheets at £8.95.

ACR3I --     **Opaque Sheets**     1000 x 500mm     per sheet

**Opaque Colours:** Black (B), White (W), Red (R), Blue (BL), Light Blue (LB), Green (G), Yellow (Y), Orange (O), Ivory (I), Shocking Pink (P).

## SOLID EXTRUDED COLOURS

Good for vacuum forming, extruded acrylic has a lower molecular weight than cast, which allows greater definition during fabrication.

### 3MM XT OPAQUE PACK

Consists of one sheet of each colour from the popular opaque range.

ACR3MX     **Opaque XT Acrylic Pack**     1000 x 500mm     6 sheet pack

### 3MM INDIVIDUAL XT OPAQUE COLOURS

You can supplement our packs or select your own sheets at £8.50

ACR3IX --     **Opaque XT Sheets**     1000 x 500mm     per sheet

**Opaque Colours:** Black (B), White (W), Red (R), Blue (BL), Green (G), Yellow (Y).

Extremely competitive prices on the most popular sheets
