ALUMINIUM MODELLING WIRE

Soft malleable rod, used a design medium in its own right, or as an armature.

MODAW	Aluminium Wire	3.2mm 500g coil
MODAW1M	Aluminium Wire	1 metre lengths x 50

ENAMELLED COLOURED WIRE

Premium quality 0.7mm jewellery wire with enamelled coating which provides ultra vibrant colours and a high sheen finish. Suitable for a variety of craft uses.

MODEW--	Individual Colour	15 metre spool
MODEWA	10 colour assorted bag	10 x 1 metre random colours

Colours: Red (R), Blue (BL), Light Gold (LG), Green (G), Warm Gold (WG), Silver Grey (SG), Black (B), Gun Metal (GM), Super Pink (SP), Super Lime (SL), Violet (V), Purple (P)

WIRE MESH

13mm gap galvanised steel mesh. Useful for a variety of modelling, in conjunction with Mod-Roc this netting may be cut & shaped to create a basic armature.

MODWM	Wire Mesh 13mm	900mm x 10 metres
-------	-----------------------	-------------------

MODROC

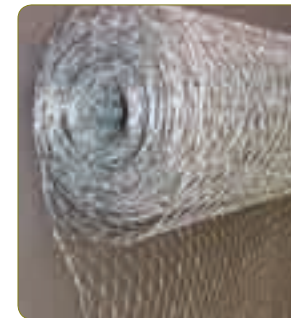

Plaster impregnated bandages, ideal for modelling. Each roll comes in its own pack for convenient storage.

MODP275	Modroc Roll	15cm x 275cm	per roll
MODP275P	Modroc Multi	15cm x 275cm	12 roll pack
MODP80	Modroc Dispenser Pack	15cm x 80 metres	6.4kg pack

AIR-DRYING MODELLING CLAY

Das white modelling clay is exceptionally soft and pliable. Supplied in sealed foil, the material must be kept in a sealed bag to prevent hardening. Models can be painted.

MODCL0.5	Das White Clay	500g	per pack
MODCL0.5T	Das Terracotta Clay	500g	per pack

Wire Mesh create an armature for larger work
