"This product is very popular with the students of the Art School HKA Arnhem - the Polyholdall is strong and comes at a good price - it has been a new idea to our market and a success."

Quinten Dierick, Peter van Ginkel, Arnhem, Holland.

"The Holdalls have solved the departments storage problems, they also provide a means of keeping pupils work presentable, they have been extremely successful."

Phil Eccleston, Head of Design, Ernesford Grange School, Coventry.

"We have used Seawhite Holdalls for over 10 years and not only are they practical and very durable, they compare favourably to other plastic folders on offer."

Marvene Baxter, Head of Art, Champion School, Leamington Spa.

Polyholdalls and Polyfolders are made with durable 1000 gauge plastic and are supported by 2mm board inserts
