

# design polyfolders

The Polyfolder is used by many schools and is made closer to the paper size for easy storage. These velcro fastened folders are made from heavy duty polythene and outlast many dearer portfolios.

## POLYFOLDERS

These popular velcro fastened folders are offered at competitive prices.

CLA1SB50	<b>A1+ size</b>	box of 50

*"The Polyfolders are excellent value for money and much more substantial than similar products we have been offered - they are very durable and practical and we receive fantastic service from Seawhite."*

**Steve Jackson, Head Teacher, Loscoe School.**

*"The pupils feel good carrying their work around in their Seawhite folders, this promotes a good attitude to the subject."*

**Diane Kelsey, County Upper School, Bury St. Edmunds, Suffolk.**
